### Education

#### Academy of Interactive Entertainment

Advanced Diploma of Professional Game Development 2021

Game Design & Production

(Diploma of Screen and Media) 2020

### About Me

I am a Game Designer who has skills in all facets of design and development. I use these skills and the experiences I've gained from years in service industries to work in teams and create enjoyable games.

I am excited to work in an environment where I can work alongside active individuals to create high quality games as well as facilitate the advancement of my skills and knowledge.

### Skills & Proficiencies

Unity

Unreal

Perforce

Github

TortoiseSVN

HacknPlan

Trello

Communication

Organisation

Problem-solving

### Experience

#### Kite Shield Interactive

June - Current

Level Design

(15 Developers, Unreal, TortoiseSVN, Windows)

I am currently working on Moon Corp. Tower Defense, creating levels with respect to narrative and the unique systems involved.

#### Splatacle

August - November 2021

Level Design & QA

(15 weeks, 8 Developers, Unity, Perforce, Windows, Android)

I designed levels with a focus on introducing mechanics to players as well as organising observable testing sessions with players and created bug fix workflows and templates integrated with project management for team members.

#### Sploosh!

(48hrs, 11 Developers, Unity, Github, Windows) Global Game Jam 2021

Level & Mechanics Design

<https://panic-colony.itch.io/sploosh>

### Other Experience

#### Canberra Psychology Centre

Receptionist / Admin

April 2021 - July 2022

Face-to-face client interaction and general office support in a professional medical setting, resolving complex client issues.

#### The Bristol Arms Hotel

Bartender / Stockman

September 2018 - March 2019

Delivered great customer service in a fast paced environment while managing stock to ensure good business.

#### Coles

Team Member / Supervisor / Night Fill Manager / Duty Manager

Jan 2013 - June 2018

Oversaw training and used knowledge of individual strengths to allocate daily tasks and resolve complications facilitating a high quality of work from the team for company goals.
